FILE: 21-8275
INCIDENT: Armed Robbery/Assault With a Deadly Weapon
DATE OF INCIDENT: September 28, 2021
TIME OF INCIDENT: 10:53 AM
LOCATION: 401 Putnam St
VICTIM(S): Male Juvenile and Adult Male
SUSPECT(S): Isaiah Taylor (22), 1 Male Juvenile (17) and
1 Male (age unknown)

On 9/28/21, at 10:53 AM, Antioch Police Department Dispatch received multiple phone calls of a shooting in progress at the Antioch Water Treatment Plant at 401 Putnam St. While officers were in route to that location, additional callers reported an armed robbery that had just occurred at a business in the 2200 block of A Street. Officers eventually learned that three males robbed the business on A Street at gunpoint and then fled in a black sedan. A victim of the initial robbery chased after the suspects in his vehicle, when the suspects began shooting at him. The victim followed the suspect vehicle into the water treatment plant, where further shots were fired. The three suspects fled on foot through the water treatment plant to Lone Tree Wy, where two of them were apprehended by Antioch Police Officers. Park Middle School was placed on lockdown for approximately 30 minutes while officers conducted an extensive search of the area for the third suspect. At no point was there any indication that the suspects were ever on school grounds. No one was injured as a result of the gunfire, and it appears the suspects inadvertently ended up in the water treatment plant as they were trying to flee from the pursuing victim.

All of the stolen property, along with two firearms, were recovered by officers on scene. Taylor was booked into County Jail for armed robbery and assault with a deadly weapon. The 17-year-old male suspect was booked into Juvenile Hall for armed robbery and assault with a deadly weapon. The third suspect was described as a young black male wearing a black hooded sweatshirt. That suspect is still outstanding.
